1. What do Council Members do?

Elected Members contribute to the self-regulation of the dental technology profession in Ontario in a host of meaningful ways. You participate in decision-making about:

- standards of practice and professional conduct,
- competencies for entry to practice and ongoing practice, and
- the development of new programs and policies to guide the profession, as well as relevant regulations and by-laws required under the legislation

Members of Council also fulfill a critical role through participation on a statutory [Committee](#).

2. What are the candidate eligibility requirements for Council elections?

The eligibility requirements are set out in Article 10.05 of the College's [By-Laws](#).

3. How much time will I have to commit if elected to Council?

There are generally four Council meetings per year in Scarborough, held between the business hours of 10 a.m. to 5 p.m. Dates are set well in advance to help members plan. Each meeting also requires preparation time—such as reviewing materials in advance of meetings to be able to fully contribute to discussions.

In addition to this, there is an expectation that Council members participate in at least one [Committee](#). The time commitment varies depending upon the Committee(s) you are assigned.

4. Will I be compensated for my time away from practice?

The College provides Council members with a per diem and reimbursement of reasonable expenses as set out in the College's Expense Policy.

5. How long is the term of office?

Council Members are expected to serve a three-year term. That term officially begins at the first meeting of the Council after the general election.

6. If my circumstances change, can I withdraw from the election?

Candidates may withdraw their nomination by giving notice to the College in writing at Registrar@cdto.com
