Non-practising: The non-practising class title is less confusing for the public and makes it clear that the RDT must not practice dental technology in any capacity.</p> <p><b>Introducing new classes of registration (3 to 5):</b></p> <p>3. The Limited class will expand health human resource capacity, protect the public and support labour mobility by registering dental technologists competent to practice in a specified discipline approved by the Registration Committee.</p> <p>4 &amp; 5. The Ministry has made an emergency class mandatory for all colleges under the Regulated Health Professions Act (RHPA). The purpose of the emergency class is to provide a route of entry for applicants who do not yet meet the core competency requirements to enable them to rapidly enter the workforce under safeguards (e.g., supervision) when an emergency is declared. The emergency class increases access to health care for the public during those exceptional times (e.g., a pandemic).</p>
<p>2. A person may apply for the issue of a certificate of registration in a class set out in section 1 by submitting an application to the Registrar, in the form that shall</p>	<p>NO CHANGE</p>
